To Whom it may concern,

The Euromoney Foreign Exchange survey is the most comprehensive quantitative and qualitative annual study of the FX markets. Responding to the Euromoney FX Survey is completely anonymous, Euromoney does NOT publish a list of respondents to the survey.

Euromoney only publishes data in aggregate, no individual response is ever revealed and Euromoney ensures that individual responses cannot be inferred or calculated from the aggregate data that is published. Individual data always remain confidential to that individual respondent. All data captured is used for the purpose of the specified survey only.

All data provided to Euromoney is confidential by the terms of the 1998 Data Protection Act. By law Euromoney is prohibited from passing on any personal details of respondents, nor details of their replies, to anyone outside Euromoney Magazine's Research Department. Euromoney does not market any of its own products and services to respondents. Euromoney does not supply the personal details of respondents to third parties.

Please feel free to get in touch with me on the details below should you have any further questions or queries.
